

## **Necessary Settings :**

### **1) Scan exclusions :**

You need to exclude the following files from folders scan :

Documents\Bsd Concept  
C:\program files (x86)\Bsd Concept\Heredis 2026 World  
C:\program files\Bonjour\

You also need to exclude the following files :

C:\program files (x86)\Bsd Concept\Heredis 2026 World\Heredis26.exe  
C:\program files\Bonjour\mDNSResponder.exe

### **2) Allowed apps :**

You need to allow Heredis 2026 by adding the following paths :

C : \program files (x86)\Bsd Concept\Heredis 2026 World\Heredis26.exe  
C : \program files\Bonjour\mDNSResponder.exe

### **3) Firewall settings :**

Add Heredis26.exe and mDNSResponder.exe through the firewall.

### **4) Allow data writing on external removable media.**

### **5) Allow scripts to be executed in text editors and spreadsheet.**
